Milwaukee – Today, Alex Lasry released the following statement on Republican Senator Ron Johnson's continued refusal to stand up for Wisconsin workers and his continued attempts to blame others for his words:

"If we want the best trucks, done on time—and on budget—those jobs should be brought here to Wisconsin. We have the best trained and most efficient workers in the world, and the necessary facilities to get the job done.

"Throughout Ron Johnson's two terms, he has failed to bring jobs and investment back to Wisconsin, and that is exactly what is happening once again. Ron Johnson is rejecting more than a 1000 good union jobs and he knows that won't fly with Wisconsinites, so now he is making excuses and trying to blame everyone but himself. We need another Senator who will deliver for Wisconsin, not just make excuses.

"I want to be a partner for Tammy Baldwin to bring investments like these good union jobs to Wisconsin. I have a proven record of raising wages, bringing jobs and investments to our state, and building things right here in Wisconsin. That's exactly what I'll do as Wisconsin's next U.S. Senator."

The Democratic Primary Election for the United States Senate will be held Tuesday, August 9th, 2022. For more information about Alex Lasry's campaign, visit www.alexlasry.com.
