MADISON, WI – The League of Women Voters of Wisconsin launches its [VOTE411.org](https://www.vote411.org) voter guide in both English and Spanish for the Spring Election on April 5th.

This “one-stop-shop” for statewide election information provides simple tools to help Wisconsin voters navigate the voting process. These tools include candidate information, voter registration tools, polling place information and other helpful Election Day information.

“VOTE411 sets voters up with the tools they need to feel prepared to cast their ballot whether they vote in person or absentee,” said Eileen Newcomer, LWVWI Voter Education Manager. “Voters can find important information they need to choose the candidates that align with their values and prioritize the issues they care about.”

The League of Women Voters of Wisconsin’s voter guide includes information on all the candidates running for state office on the spring election ballots – including judicial candidates running for the [Court of Appeals](#), [Circuit Courts](#) as well as [various local offices](#).

Nearly 25.4 million voters have found the information they needed thanks to VOTE411, many of them young people and first-time voters.

Voting should be fun and simple. VOTE411 gives voters the invaluable, nonpartisan information they need all in one place. So head on over and get out to vote on April 5th.
