Thank you to the voters of Wisconsin for the opportunity to serve you.

My message of small government and responsible budget management resonated across the state, and these will remain my priorities when I take office. In particular, I look forward to safeguarding the \$1.4 billion fund managed by the Board of Commissioners of Public Lands as a conservative voice.

It was an honor to campaign with such a hardworking, dedicated Republican group of statewide candidates. I saw firsthand their commitment to understanding what matters to taxpayers and offering strong solutions to problems. I admire their desire to serve the people of Wisconsin and I hope to work with them again in the future.
