Madison- Amy Loudenbeck (R-Clinton) has secured the endorsement of nearly two-thirds of all current Republican members of the Wisconsin State Legislature for her campaign for Secretary of State.

“During my tenure in the legislature, I have built a reputation of working hard and getting things done. My colleagues know this office is broken, and they know I’ll put in the work needed to fix it,” said Loudenbeck. “I’m incredibly honored and humbled by their support for me and my campaign for Wisconsin Secretary of State. Together we can consider a broad range of policy options to add value to this office and make sure Wisconsin continues on the best path forward.
