Menomonie, WI—Today, Congresswoman Abigail Spanberger announced her endorsement of Deb McGrath in her campaign for Wisconsin's third Congressional District. Deb is a former Army Captain, CIA officer, and working mom of three. Congresswoman Spanberger represents Virginia's seventh Congressional district in Congress, and is also a former CIA officer.

"Deb McGrath is an extraordinary example of service and commitment to our country," said Congresswoman Abigail Spanberger. "After serving as an Army officer, she spent the rest of her career in the CIA collecting vital intelligence to inform our presidents and policymakers - of both parties - and to keep our country safe. Now, as our country faces critical challenges, Deb is ready for another tour of duty. She knows what is at stake in this election - and she is a demonstrated leader. She will be a champion for growing our economy, lowering health care costs, and rebuilding our infrastructure - both in western Wisconsin and across the country. I am proud to endorse Deb, and look forward to serving alongside her in Congress."

"I am honored to earn Congresswoman Spanberger's support and am inspired in our shared fight to protect American democracy," said Deb McGrath. "Abigail is a leader in Congress, and has been a dedicated advocate for investing in American families and making our communities stronger. Those are values we hold dear here in western Wisconsin and I am proud to have her by my side in my campaign for Congress."
