Menomonie, WI—Today, former Wisconsin State Senator Kathleen Vinehout endorsed Deb Baldus McGrath in her campaign for Wisconsin's third Congressional District. Deb is a former Army Captain, CIA officer, and working mom of three. Kathleen Vinehout represented Wisconsin's 31st State Senate District for over a decade.

"Democrats! Now is the time to rally around a candidate who can win western Wisconsin! With the horrid reversal of Roe v. Wade and other critical issues on next year's congressional calendar we cannot afford to lose Congressman Kind's seat. We need a tested, courageous, experienced woman to rally all 3rd CD Democrats and convince our independent and historically Republican neighbors. This is how we win! I am proud to endorse Deb Baldus McGrath for Congress. I invite you to join me in supporting her," said former **Wisconsin State Senator Kathleen Vinehout.**

"It is a privilege to be endorsed by former Wisconsin State Senator Kathleen Vinehout," said **Deb Baldus McGrath.** "Kathleen is a persistent advocate for our rural areas and a strong voice for our rights. I am honored by her support and partnership as we work to lower prescription drug prices, improve healthcare in rural areas, and fight inflation for residents of the Third Congressional District."
