Menomonie, WI—Today Deb McGrath, a former Army Captain, retired CIA Officer, and candidate for Wisconsin's third Congressional District, released the following statement on Russia's attack on Ukraine:

“Last night, I watched unjustified Russian aggression against an independent nation, Ukraine. I served in National Security positions for 25 years, many of which were spent in Central Europe. I know the importance of diplomatic, economic, intelligence and military support to our allies, in support of democracies and freedom world-wide. My prayers are with those who stand in united response to protect a sovereign nation's borders.”
