WEST ALLIS, Wisc. - Today, Wisconsin businessman, veteran, and outsider Republican gubernatorial candidate Tim Michels released the following statement after receiving the endorsement of President Donald J. Trump:

"I appreciate President Trump's endorsement and vote of confidence. This is a tremendous boost to our efforts and a continuation of our astounding surge since I entered the race. Clearly we were all better off when we had firm leadership in the Oval Office. Long gone are the days of \$2 a gallon gas, safer communities, and a secure border. I am working every day to defeat Tony Evers and get Wisconsin back on the right track. There are a lot of people across Wisconsin who crave strong leadership. They are hardworking, law-abiding, taxpaying Wisconsinites who deserve better. Our campaign will reach them, motivate them, and inspire them to vote."
