MILWAUKEE— The campaign for Mayor Cavalier Johnson announced today it has raised over \$280,000 in the most recent campaign finance period and held \$353,000 cash on hand as of January 1, 2022.

“I’m proud to have supporters in every corner of the city, and we are ready to take our case to the voters,” said Mayor Johnson. “Our fundraising total comes alongside a robust grassroots campaign with volunteers in every neighborhood gathering signatures and talking to voters. I want to make Milwaukee safer, stronger, and more prosperous, and our campaign’s message is being incredibly well-received.”
