MILWAUKEE (August 12, 2022) — Milwaukee Public Schools (MPS) will begin its school year for students following the Early Start Calendar on Monday, August 15. “We are thrilled to welcome our early start students and staff back to learning,” MPS Superintendent Dr. Keith P. Posley said. “Whether it’s in-person or virtual, the first day of school should always be a special moment in a child’s life at every grade level. We share that excitement with our young people and our staff as we provide the best educational experience.”

Milwaukee Public Schools follows the Early Start Calendar for its high schools, middle schools, and some elementary schools. Students on the Traditional Start Calendar will begin Tuesday, September 6.

Earlier this month, incoming 9th-grade students participated in Freshman Bridge for the class of 2025. Students met school staff, toured their school, participated in team-building activities, and received instructional materials, Chromebooks, school gear, and masks.

Families can still enroll their child by visiting the [MPS website](#) or by calling (414) 267-5100.
