Milwaukee.

Guest speakers are Donald Driver, Marcus Center Cultural ambassador, and Kendra Ingram, CEO of the Marcus Center for the Performing Arts.

The Marcus Performing Arts Center recently announced Donald Driver as the first Cultural Ambassador in organization history. The four-year partnership with Donald Driver as a Cultural Ambassador will promote the power of the arts, culture and community engagement by making the performing arts more accessible to underserved youth, families and communities of color throughout Southeastern Wisconsin. Through the partnership, Driver will work with the Marcus Performing Arts Center to create intersections between the performing arts and the community through educational content developed with artists during the Marcus Center Presents season.

Rotary meetings are open to members, invited guests and media.
