

Milwaukee Rotary Club

Posted on Sunday, Jul 31, 2022

Milwaukee County War Memorial Center,
750 N. Lincoln Memorial Drive,
Milwaukee.

Guest speaker is Jean Creighton, UWM's planetarium director and astronomer, who is to present, "Exploring Exoplanets with the James Webb Space Telescope."

As the largest, most powerful space telescope ever built, the James Webb Space Telescope will serve as the premier deep space observatory for the next decade. Hear from Dr. Jean Creighton, UWM's planetarium director and astronomer, about our ever-expanding view of the universe and the search for new and exciting worlds beyond our solar system.

Rotary meetings are open to members, invited guests and media.
