Washington, D.C. – Spoiled rich kid and WI Senate Democrat candidate [Alex Lasry traveled to Russia shortly after President Vladimir Putin’s controversial election in 2012](#). Why? We have no idea, other than to post this obscene picture with an even more absurd caption on his Facebook page:

This photo just screams “spoiled rich kid.”

Two years after this photo, Daddy Lasry – hedge fund billionaire and co-owner of the Milwaukee Bucks – handed his son a top job with the NBA team. The billionaire’s son then moved to Milwaukee and was [surprised it was a normal city...](#)

Now, he’s running for U.S. Senate.

Statement from NRSC Spokeswoman Lizzie Litzow: “Like this photo, Alex Lasry is used to getting everything handed to him on a silver platter. No wonder he thinks ‘king’ is in the cards. Even with Daddy Lasry’s Wall Street buddies’ help in his campaign for Senate, Wisconsinites aren’t going to hand over their votes so easily.”
