*The Nightmare Reality If Barnes Won in November*

**Washington, D.C.** – Mandela Barnes is the Democrat candidate for Wisconsin's U.S. Senate seat and is far too liberal and out of touch with Wisconsinites for it. To prove it, we will show you just how the Badger State would look under the Barnes Brigade.

As we know, Barnes is a hypocrite on paying taxes. The Barnes Brigade motto when it comes to taxes is "[taxes for thee, not me.](#)" As a leader, that never bodes well and definitely won't sit well with hardworking Wisconsinites.

If you remember, Barnes claimed he was [too busy](#) campaigning to pay his property taxes and [stormed out](#) of an interview when asked about it.

**Statement from NRSC Spokeswoman Lizzie Litzow:** "Mandela Barnes is too out of touch. Claiming you're too busy to pay your taxes on time is ridiculous. Other busy Wisconsinites are able to pay their taxes on time but a candidate for public office isn't? The Barnes Brigade is not right for Wisconsin."
