Washington, D.C. – Mandela Barnes is getting desperate... so he's turning to D.C. politicians for help..?!

BARNES PUTS UP THE BAT-SIGNAL — As Democrat **MANDELA BARNES** starts to fall behind in polls in the Wisconsin Senate race, he's hoping for some big names to swoop in and save the day, [Christopher Cadelago and Holly Otterbein report.](#)

He is reaching out to Joe Biden, Kamala Harris and Bernie Sanders to join him on the campaign trail. Yikes. Three people who are unpopular in the Badger State and three people who the Barnes Brigade loves and supports.

This should be a reminder that under the Barnes Brigade, the Badger State will be influenced by D.C. Democrats, not Wisconsin families.
