Washington, D.C. - NRSC Chairman Rick Scott released the following statement on Senator Ron Johnson's victory (once again) in tonight's debate against Lt. Gov. Mandela Barnes.

Statement from Chairman Rick Scott: "Tonight's debate proved once again that Senator Ron Johnson will always fight for the people of Wisconsin and against the Democrats' reckless agenda that is hurting Wisconsin families and the Badger State. Barnes is a dangerous Democrat who wants to eliminate cash bail, reduce the prison population by half and has ZERO active law enforcement officer endorsements. He is too radical and way too dangerous for Wisconsin."
