Statement from NRSC Chairman Rick Scott: "Senator Ron Johnson is a good friend and a fierce colleague who's not afraid to stand up for what's right. He is a tireless advocate for small businesses and the hardworking people of Wisconsin. He brings commonsense solutions to the Senate and always fights to protect and defend the security of our homeland and our priorities abroad, and deeply cares about the betterment of his state. While Wisconsin Democrats trip over themselves to prove who's more liberal, Senator Johnson continues to demand accountability in Washington and deliver results for Wisconsinites. The NRSC is proud to endorse Senator Johnson's re-election campaign. He has won this battle twice before, and he will win it again."
