Washington, D.C. - Amazing.

According to [New York Magazine](#):

*“But [Biden] has been particularly open about one pol he especially wants to get rid of, whose ouster would hand Democrats both Senate seats in his vital battleground: **Wisconsin senator Ron Johnson**, whom he describes as notably draconian and an emblem of the new, warped GOP.”*

Joe Biden’s radical agenda and reckless spending have caused hardship for Wisconsin families and made communities in the Badger State less safe. So, it’s music to our ears that he dislikes Senator Johnson so much. Wisconsinites don’t need a Biden supporter (like Mandela Barnes) as their senator, they need someone like Johnson who will stand up to Biden and the Democrats’ reckless agenda and fight for Wisconsinites.

Statement from NRSC Spokeswoman Lizzie Litzow: “Joe Biden really wants to beat Ron Johnson and that’s more than great news for Johnson. Vote accordingly.”
