**Washington, D.C.** – Mandela Barnes is a dangerous Democrat who is soft-on-crime and tonight didn't show voters anything different.

Even Wisconsin law enforcement knows he's too dangerous. ZERO active-duty law enforcement officers endorsed Barnes' run for Senate.

It's because he wants:

- [To reduce](#) the prison population by half,
- [To eliminate](#) cash bail,
- To be a ['Defund the Police'](#) Democrat.

**Statement from NRSC Chairman Rick Scott:** “Mandela Barnes is a dangerous Democrat. He is soft on crime, and his record has only made Wisconsin communities less safe. Law enforcement officers know it and that's why Barnes cannot fine ONE active-duty law enforcement officer to support his candidacy. What Wisconsin voters have seen tonight is further proof he is too dangerous for the Badger State.”
