**Washington, D.C.** – Today, the NRSC [launched](#) a new ad in Wisconsin hitting Mandela Barnes for wanting to cut the prison population in half.

“Reducing prison populations is now sexy,” Mandela Barnes says. He’s talking about releasing violent criminals. His administration has already paroled 884 convicted criminals. Many of them released into our community – over 200 murderers, 44 child rapists and more. Barnes is just plain dangerous.

This is a high six-figure buy on TV and digital.
