**Washington, D.C.** – It's Turnback Tuesday. Three years ago, Mandela Barnes [stormed out](#) of an interview after being asked about his unpaid property taxes. We all know that Wisconsin Democrats are [tax cheats](#), but we guess Barnes didn't like being confronted about it.

**Statement from NRSC Spokeswoman Lizzie Litzow:** “Mandela Barnes was confronted for failing to pay his taxes and his temper got the best of him. Not the best preview of what Wisconsinites would get in a senator if he was to be elected. The Badger State deserves more.”
