**Washington, D.C.**—Earlier this week it was [revealed](#) that Mandela Barnes lied about one of the cop endorsements he had touted, leaving him with 7 retired cops and 1 on-duty cop on his endorsement list. But as [reported by CBS 58](#) yesterday, the lone on-duty cop removed his name from the list leaving only 7 RETIRED cops on Barnes' endorsement list.

Yes, there are 13,400 law enforcement officers in Wisconsin and ZERO endorsed Mandela Barnes for Senate.

Embarrassing, but not surprising.

**Statement from NRSC Spokeswoman Lizzie Litzow:** “This is a huge red flag. Mandela Barnes is so dangerous for Wisconsin that no on-duty law enforcement officer will endorse his run for Senate. If Wisconsinites don't know Barnes' stance on crime yet, then they need to take this as a warning: Barnes will only make their state and communities less safe.”
