PRAIRIE DU CHIEN, WI – Derrick Van Orden raised more than \$830,000 in Q4 to end 2021 with over \$2.6 million total raised and nearly \$1.5 million cash on hand. This makes Derrick the number one Republican challenger in the country for the year 2021. Derrick also outraised the combined total of the 4 Democrats running in a contested primary in Wisconsin's 3rd District and has over \$1 million cash advantage over them.

This strongest in the nation fundraising in 2021 highlights the united support for his candidacy and the fervor Republicans in Wisconsin are feeling about firing Nancy Pelosi and taking back the House of Representatives now in 2022.

Derrick Van Orden released the following statement:

"I would like to extend a heartfelt thank you to each and every person who has supported my campaign to bring real representation back to Western Wisconsin, unseat Nancy Pelosi as Speaker, and put an end to the disastrous policies of Pelosi and Joe Biden that continue to hurt Americans.

In the last year, we've seen record inflation, skyrocketing gas and grocery prices, and an open border that has led to more Fentanyl deaths than ever before.

Our grassroots movement has shown that freedom loving conservatives in Wisconsin and around the nation are United and Fired up to Fire Pelosi."
