*Incumbent senators agree that Tom is best candidate to represent district*

BROOKFIELD, WI — Navy veteran, small business leader, and candidate for Wisconsin's 5th Senate district, Tom Palzewicz, announced today that he has earned the endorsement of State Senators Kelda Roys, Chris Larson, Melissa Agard, and Tim Carpenter.

"Tom Palzewicz is a small-business leader, a U.S. Navy veteran, and a family man with strong Wisconsin values," said Senator Roys. "He is our best chance of returning common sense to the 5th Senate District and ensuring the far right doesn't have a supermajority in the State Senate, and he has my full support."

"Tom Palzewicz has the experience, vision, and dedication to his community that we need more of in the State Senate" said Senator Larson. "I know that Tom will work hard for his neighbors — and all Wisconsinites. He has my full support."

"I'm honored to have received the endorsement of this group of dedicated public servants," said Palzewicz. "They know I will make a true difference for the communities I'll serve, and I look forward to working with them to deliver practical solutions in the State Senate."
