**LA CROSSE** — Today, **State Senator and nominee for Congress Brad Pfaff** announced that the Jewish Democratic Council of America (JDCA) has endorsed his campaign to bring homegrown western Wisconsin values to Congress.

“I’m proud to have the endorsement of an organization that tirelessly advocates for our shared values, and I’m honored to have them on our team” said **Brad Pfaff**. “Unlike my opponent who has a history of antisemitic remarks, I’m running to bring western Wisconsin values of honesty, common sense, and hard work to Congress and with JDCA’s support, this is the campaign that will win in November.”

“From healthcare to labor rights, Brad Pfaff is focused on delivering for Wisconsin on the issues Jewish voters care about most,” said **Samuel J. Crystal, JDCA Spokesperson**. “Through his years of public service, Brad understands how to deliver for his constituents. Jewish Dems are proud to support him in WI-03.”

This endorsement is the latest in a growing number of supporters, including Planned Parenthood, NARAL, WI AFL-CIO, the NewDems Action Fund, United Rural Democrats, and LCV Action Fund.
