LA CROSSE, WI - With six weeks before the primary the International Brotherhood of Electrical Workers Local 2150 announced their endorsement of Brad Pfaff's candidacy for Congress.

"It's an honor to have the support of the hardworking men and women at IBEW 2150," **said Brad Pfaff.** "Working families are struggling right now. They need a Representative focused on the issues that keep them up at night, not purely ideological and partisan ones that are designed to divide us. And that's exactly what I will be focused on in Congress."

"Brad's commitment to standing up for working people has been demonstrated through his work as a State Senator," said **Bob Stone, Business Manager of IBEW local 2150.** "We are proud to endorse his candidacy because we know he'll be the fighter Wisconsinites need in Washington."

IBEW 2150 is the largest IBEW Local in Wisconsin, representing over 5,000 members in the electrical industry.
