LA CROSSE, WI – In a press release on Friday, the Wisconsin Education Association Council (WEAC) and the National Education Association (NEA) recommended State Senator Brad Pfaff in the 3rd Congressional District.

“It is an honor to receive the support of current and retired educators across the 3rd Congressional District,” said Brad Pfaff. “As a product of public schools myself, I will fight to ensure every child in Wisconsin receives a world-class education, regardless of their zip code, that we invest in our public schools, and pay our educators fairly for their vital role in our communities. I’ve always stood up for public education and I’ll continue to do the same in Washington.”
