MILWAUKEE—Judge Janet Protasiewicz announced today that she has earned the endorsements of over 170 Wisconsin leaders in the law, including Municipal Court Judge Derek Mosley and Professor Ed Fallon.

“I am supporting Judge Janet Protasiewicz because she knows the law and understands our community,” said Judge Mosley. “I’ve had the honor of watching her first-hand as a prosecutor, a community leader, and a judge, and I know she is exactly what we need on the Wisconsin State Supreme Court.”

“Wisconsin needs and deserves to have a Justice who will be fair and impartial, not a partisan activist,” said Prof. Fallon. “Our judicial system is under attack almost every day, and Judge Protasiewicz will defend our judiciary from radical partisans. I’ve worked with Judge Protasiewicz and know she is the best choice for the Supreme Court.”

“I am so excited to see the outpouring of support our campaign has received in the first week of our campaign,” said Judge Protasiewicz. “We are building a strong coalition of supporters from all across the state, and I’m ready to restore honor and integrity to the Supreme Court.”

The latest round of endorsements adds more momentum to Protasiewicz’s growing
