**City of Racine** – Today, Mayor Mason released the following statement after learning that Mr. Harry Wait committed a felony by illegally requesting his absentee ballot be sent to Mr. Wait's residence:

*“Mr. Wait has been unable to prove any consequential voter fraud. In his desperation to support Donald Trump's big lie, Mr. Wait has himself become the very thing he claims to despise: a felon attempting to steal votes. I was outraged to receive an email yesterday from Mr. Wait in which he openly admits to committing a felony by illegally requesting my absentee ballot be sent to him. I have spoken to the District Attorney who will be opening an investigation which could lead to charges being pressed.”*
