“With the recent Supreme Court decision, we hear a lot about abortion, however, we are likely to see memes and protests or hear shouted chants,” said Rep. Allen. “On such an important topic, we need face to face conversation that goes beyond slogans to understanding.”

For this reason, Rep. Scott Allen (R-Waukesha) is hosting a Community Engagement Night:

Thursday, August 25th at 7pm

The Waukesha Public Library (321 Wisconsin Ave.)

Program Room A

Rep. Allen will speak for 15-20 minutes on the timely and relevant issue of abortion before responding to questions.

“I’m looking forward to addressing the commonly held ideas on this topic. It’s important to examine these ideas thoughtfully, logically, ethically, and scientifically. Only then can we build a consensus on what is right,” stated Rep. Allen. “I hope to engage with many constituents on this topic with fruitful conversation.”
