“What’s the big deal about marijuana? Is it medicine or something far more menacing? We are being fed red herrings and naive catchphrases. It is time to move beyond the superficial,” said Rep. Allen. “It is time we move past the rhetoric and into the facts about marijuana.”

To that end, Rep. Scott Allen (R-Waukesha) is hosting a Community Engagement Night:

**Tuesday, September 27th at 7pm**

**The Waukesha Public Library (321 Wisconsin Ave.)**

**Program Room A**

Rep. Allen will speak for 15-20 minutes on the timely and relevant issue of marijuana before opening up the floor for questions and comments.

“My goal is to expose these false constructs and examine the science and logic behind the marijuana debate,” said Rep. Allen.
