Today, Darrell Brooks was found guilty by jury trial of all charges including six counts of 1<sup>st</sup> degree murder. Rep. Scott Allen released the following statement:

“I wish that today’s judgment could bring back the lives of those lost nearly a year ago, but, of course, it will not. The verdicts value those lives by holding the criminal responsible for his actions. I pray that this will bring some comfort to the families and friends of the victims and to our Waukesha community as a whole.

“I am grateful for all those involved in seeing justice accomplished: Judge Dorow, District Attorney Opper and her staff, those serving on the jury, witnesses, and those involved in the investigation that led to the arrest.

“I hope that these verdicts bring healing, resolve, and remind us of the importance of justice.”
