Today, Rep Allen released the following statement in regards to the U.S. Supreme Court's decision to overturn *Roe v. Wade*:

“Nearly 50 years ago an activist Supreme Court created a law that didn't exist. Today we celebrate a courageous Supreme Court in the *Dobbs* decision for correcting that error. The people, through their legislative representatives, shall once again have the ability to decide on the important issue of life. Let's pray that a respect for life shall prevail.”
