Madison – State Representative Janel Brandtjen (R- Menomonee Falls) issued the following statement regarding the recent admission by Milwaukee Mayor Cavalier Johnson stating that city resources will be used to help “get out the vote” in Milwaukee:

“There is no question that third party partisan money continues to be used in collusion with election officials in heavily democrat areas to help democrat candidates win elections. It is time we get to the bottom of this unethical and illegal activity. Today, my office filed open records requests to:

- Wisconsin Elections Commission Administrator Meagan Wolfe
- Milwaukee County Clerk George Christenson
- Milwaukee Mayor Cavalier Johnson
- Milwaukee Elections Director Claire Woodall-Vogg
- Milwaukee Clerk Jim Owczarski
- Milwaukee IT Specialist David Henke

The people of Wisconsin deserve fair, open and honest elections. We expect full and immediate disclosure of all communications and agreements with the extreme partisan organization known as GPS Impact.”
