[Fox Crossing, WI] – Today, Wisconsin REALTORS Association announced their endorsement of Rachael Cabral-Guevara in her run for the 19th Senate District:

Wisconsin REALTORS Association, being one of the largest trade associations in the state, represents and provides about 16,500 members throughout the state. WRA was formed in 1909 as the Wisconsin Association of Real Estate Brokers (WAREB), but now serves all of those who have an interest in real estate. This includes bankers, brokers, practicing agents, appraisers, and more.

“I am proud to receive an endorsement from the WRA. I am a homeowner and business owner who shares the common goal of keeping affordable housing and economic growth. Wisconsin families cannot prosper while keeping the status-quo. I will continue to fight for economic freedom and home ownership in Madison,” Rep. Cabral-Guevara stated.
