Appleton, Wis. — Senator-elect Cabral-Guevara released the following statement in anticipation of the 2023-24 legislative session:

“I want to thank my community for their support as their next state senator. When I set out to run for the 19th Senate District, I did so with the belief that this office is larger than myself, and should be one that reflects our local values.”

“That is why it’s such an honor to have the Xavier High School Orchestra selected to provide musical entertainment throughout the day. My children have attended Xavier High School and I could not be any happier than to share this special day with the student orchestra and members of the faculty.”
