Over two years ago, I came to you with a vision that there should be no reason that your kid's grandkids and great-grandchildren shouldn't be able to raise their families here at home in Northern Wisconsin. So today, I come to you to say we have made tremendous strides towards that goal. Some include but are not limited to:

- Stopping Gov. Evers' proposal to raise taxes by over \$1 billion and **providing a \$2.3 billion income tax cut**, saving the typical family more than \$900 and leaving that money in your wallet.
- Fought to expand the Dementia Care Specialist program statewide (\$3.5 million All Funds; \$3 million GPR)
- Worked to provide \$125 million for broadband expansion - Helping bring Northern Wisconsin up to speed.
- Backing the badge and fighting for Law Enforcement recruitment and retention programs to keep our communities safe.
- Ensuring our Northern Wisconsin hunting, fishing, and gun rights and traditions are protected for generations.

I am excited to announce my re-election campaign to represent the 35th Assembly District for another term. We have worked hard on behalf of the taxpayers of Northern Wisconsin, but there is more work to get done, and together with your vote, we will continue to build a better Wisconsin.
