MADISON -This spring, Representative Sue Conley (D-Janesville) mailed her Spring 2022

Legislative Survey to constituents of the 44th Assembly District.

“My office received 398 survey responses from constituents in the district. Thank you to all who took the time to fill out a survey. I appreciate your input as I work to represent you the best I can.”

Some of the survey results include:

- More than 75% of respondents do not feel the state of Wisconsin, under the legislature, is headed in the right direction
- More than 60% of respondents ranked access to healthcare as their #1 or #2 issue priority
- More than 80% of respondents do not want their taxes to be used to fund private schools
- 91% of respondents believe Wisconsin should utilize a nonpartisan redistricting process
- 65% of respondents believe cannabis should be made legal for recreational use and taxed and regulated
- Nearly 90% of respondents agree Wisconsin workers should be given an option to participate in a paid family medical leave program
- More than 90% of respondents believe all gun purchases should require a background check

“Full results of the survey will be available on my website-visit:
