Madison, WI — State Representative Alex Dallman has been appointed to serve on the Joint Committee on Finance (JFC) for the 2023-2024 legislative session. This committee oversees Wisconsin's revenues and crafts each state biannual budget.

"I am extremely honored to be named as the newest member of the Joint Finance Committee," said Representative Dallman. "I look forward to bringing another conservative, fiscally responsible, and younger voice to JFC."

"I am excited to dive into the budget and tackle the challenges that are currently affecting the State of Wisconsin," said Representative Dallman. "I believe this committee will continue to serve as an asset to all taxpayers of the state. We have an incredible team which is led by Speaker Vos and Co-Chair Born and I am confident that we will continue to fight for lower taxes and free markets, while holding every tax dollar accountable."

State Representative Alex Dallman was re-elected in November to serve a second term for Wisconsin's 41st Assembly District which includes parts of Green Lake, Marquette, Adams, Columbia, Sauk, and Waushara counties.
