Ripon, WI —Representative Alex Dallman had the honor of participating in the Fond du Lac County Sheriff's office training simulation.

This type of training simulator is one of a kind in the State of Wisconsin and allows for law enforcement agencies and members of the public from across Wisconsin to experience situations that police officers deal with on a daily basis.

“This simulator provides invaluable, real-time feedback to officers, so that they may better handle these stressful situations in the field,” said Representative Dallman. “I want to thank Fond du Lac County Sheriff Ryan Waldschmidt and his fellow deputies for this incredible, eye opening experience,” continued Representative Dallman.
