Madison -Representative Barbara Dittrich (*R - Oconomowoc*) issued the following statement in response to the announcement of Wisconsin State Senator Alberta Darling's retirement:

"Since the first day I set foot in the Wisconsin State Capitol, Senator Alberta Darling has been nothing but supportive," shared Rep. Dittrich. "Her encouragement and enthusiasm with having another Republican woman added to the numbers of our State Legislature have been so uplifting. I have appreciated her cheering me on in my attempts to serve the people of this great state with passion, wisdom, and integrity. The Senator's exemplary public service has made her a role model to women of every political persuasion. Her kindness and unwavering values have been evident to everyone she comes into contact with, and she will be greatly missed after her well-deserved December retirement. I stand on the shoulders of great women like Senator Alberta Darling who paved the way for me to improve our children's education, preserve fiscal responsibility, and pursue policy on a whole host of issues like mental health and child welfare. I wish her nothing but happiness in the days ahead."
