**MADISON** – Representative Gordon Hintz (D-Oshkosh) released the following statement on the release of the *Dobbs v Jackson* Supreme Court decision:

“Today is a sad day in our country. With *Roe v Wade* overturned, Wisconsin’s 173 year-old law that criminalizes any and all abortion will immediately go into effect. This decision will have very real consequences for women and health care providers in our community and state. Taking away a woman’s right that they’ve had for 50 years to make personal care decisions is unacceptable, and I will continue to fight for reproductive freedom for all.”
