Green Bay, Wisc. - “Today the Supreme Court of the United States released multiple decisions which upheld our constitutional rights as they were intended by our founding fathers. Our democracy exists only through maintaining the principles outlined in our Constitution. If we challenge these principles we will dismantle the democracy that defines our great nation.

Just as our Constitution is unwavering, so is your desire to defend yourself and your family. In light of recent events, now more than ever it is important to defend your right to bear arms. I appreciate SCOTUS’ strong adherence to our Constitution in upholding the second amendment in their decision.”
