MADISON – Today, legislative Democrats sent a letter to Speaker Robin Vos calling for an end to the sham investigation headed by Michael Gableman. Assembly Democratic Leader Greta Neubauer (D-Racine) released the following statement:

“It is far past time that this sham investigation ended. Today, legislative Democrats delivered a letter to Speaker Vos, calling on him to close the Office of the Special Counsel, fire Michael Gableman, and finally signal to the people of Wisconsin that it is time to move on from the 2020 election. Far too many taxpayer dollars have been wasted on this phony investigation. In addition, Gableman continues to endorse the illegal idea that the legislature can decertify the 2020 election.

“Just this morning, Speaker Vos signed a contract extension, prolonging the life of this embarrassing exercise. The longer Mr. Gableman is allowed to continue his anti-democratic rhetoric, the more dangerous it becomes.

“Speaker Vos has the power to hold Mr. Gableman accountable. On behalf of Wisconsinites across the state, we are asking Speaker Vos to do just that. This must end.”
