Today, U.S. Rep. Bryan Steil (WI-01) released a statement on the verdict reached in the Waukesha Christmas Parade Attack trial.

“The pain families in Waukesha have suffered the past year can never be erased. Today’s decision rightfully convicts Darrell Brooks. This attack is a stark reminder of the harm soft-on-crime policies and prosecutors have in our communities. This horrific attack should never have occurred. We must implement policies that keep criminals off our streets and give law enforcement the resources needed to keep our communities safe.”
