MADISON, WI- Yesterday, Delta Sigma Theta Sorority Inc. National President and Board of Directors Chair Cheryl A. Hickmon passed away. As a fellow sister of Delta Sigma Theta Sorority Inc., Representative Stubbs released the following statement:

“President Hickmon was a shining example of what it means to be a part of Delta Sigma Theta Sorority Inc. In addition to serving as president, she also held positions at local, regional, and national levels of leadership. Her years of service to the sorority showed her commitment to making Delta Sigma Theta a force for action and change in our community.”

“President Hickmon lived her life by the motto ‘Don’t measure life by the number of breaths you take but by the number of moments that take your breath away.’ Through her dedicated work and service, she lived her life to the fullest by making strides in her profession as well as her public service.”

“I am deeply saddened by her passing, but I am hopeful that we will continue to work in her memory. President Hickmon will always be remembered for being an exceptional sister, friend, and leader. My prayers are with her family and loved ones, and I ask that we all respect the privacy of her family during this time.”
