[Appleton, WI] - With the news Thursday morning that inflation rose to 8.2%, Republican Party of Wisconsin Executive Director Mark Jefferson issued the following statement.

**“Wisconsin voters are being crushed by this rampant inflation caused by the Biden administration and supported in lockstep by Tony Evers and Mandela Barnes,”** said Jefferson. **“In the Senate debate Thursday night and the Gubernatorial debate Friday night, voters will hear how Ron Johnson and Tim Michels will reject these tax and spend policies and bring prosperity back to our state.”**
