Wisconsin's 63rd Assembly District has a rising patriotic candidate named Adam Steen, who is running against the RINO Speaker of the Assembly, Robin Vos. Although Vos claims to be a Republican, he is constantly fighting America First efforts and policies. Our great slogan, Make America Great Again, is not exactly high on his list!

Robin Vos supports substantially increasing Wisconsin's gas tax, a terrible move that will seriously hurt the State's residents. He is also demanding the turning of Wisconsin's public highways into toll roads as an easy, but painful, way of raising funds.

As Speaker of the Assembly, Robin Vos consistently blocked efforts at conducting a full cyber forensic audit of the 2020 Election. In fact, his appointee to study Election Fraud in Wisconsin, highly-respected Justice Michael Gableman, found massive Election-changing fraud, abuse, and irregularities. Despite hearing this powerful evidence, Vos refused to do anything to right the wrongs that were done. Vos let the big Supreme Court victory become just another story. Interestingly, Justice Gableman has strongly endorsed Adam Steen. Janel Brandtjen, the Chairwoman of the Wisconsin Assembly's Election Committee, has also endorsed Steen, because Vos has blocked all of her efforts to secure the State's Elections.

"Rampant fraud and abuse occurred statewide," stated Justice Gableman—yet Speaker Vos has taken no steps to hold the Wisconsin Election Commission accountable for endangering vulnerable nursing home residents in 2020. Likewise, he has done nothing to clean up Wisconsin's voter rolls, or remove Wisconsin from the highly controversial Election Registration Information Center (ERIC). Vos strongly supports ballot-drop boxes, which were just declared illegal by the

Wisconsin Supreme Court, and tried to draft legislation to allow them, despite the outcry by his constituents. The Democrats haven't even bothered to put up a candidate to run against Vos because he does everything they say—he is their dream candidate—a Republican who does the job of a Democrat.

Speaker Vos had 17 years to prove to Wisconsin residents that he has their best interest in mind, but even in his own campaign efforts, Vos has tried to mislead his constituents, sending out mailers that feature a picture he took with me—trying to make voters believe I am a Vos supporter, which I am not. He does not come close to supporting America First policies, and I do not come close to supporting him.

Adam Steen, on the other hand, is a motivated Patriot, dedicated to making Wisconsin Great Again. He has had the courage to stand up strongly against “Speaker” Vos. Adam will bravely serve the people of Wisconsin, and bring with him strength, wisdom, and a new patriotism. Adam Steen has my Complete and Total Endorsement!
