Neenah, WI-Today, Republican candidate for Secretary of State, Jay Schroeder issued a statement in the decision by Rep. Robin Vos to punish my friend and great American patriot, Tim Ramthun by taking away his sole staffer.

Any duly elected Representative should be allowed to have the tools to serve his constituents and the common good for the state of Wisconsin. To take away his staff is an attempt to deny him that ability. This is unacceptable.

How can one person serve as the judge jury and deprive the citizens of his district for service on their concerns for state government?

I stand with State Representative Tim Ramthun and believe that election integrity is crucial in Wisconsin and that is why I have made it my platform.

I will never stop fighting for election integrity and full transparency in our elections here in Wisconsin and nationwide.

Jay Schroeder is an America First candidate running for Wisconsin Secretary of State. Jay is married to Rebekah and they have 4 children and reside in Neenah.
