WASHINGTON, D.C. – U.S. Senator Tammy Baldwin issued the following statement today in response to the Supreme Court's decision to overturn *Roe v. Wade*.

“An activist majority of the Supreme Court has overturned Roe and nearly 50 years of precedent, taking away the constitutional rights of American women to make their own personal choices about their body, their health, and their family. Republicans have taken Wisconsin women back to 1849 and it is Republicans who want to keep us there with support for having politicians interfere in the freedoms of women who will now have fewer rights than their mothers and grandmothers have had for decades. I ask people to join this fight with their voices and their votes because we will not be taken back, we will move forward.”
